

# Five Reasons Why You Should Choose Foster Lake and Pond Management, Inc.

## 1. Established Service Reputation –

Over 25 years experience.

## 2. Established Dealer of Essential Products –

Virtually any supplies or equipment you may need to make a lake or pond more attractive, productive and enjoyable at very reasonable prices!

## 3. Established Advisory Service -

Training and experience to provide cost effective advice based on local conditions.

## 4. Licensed Aquatic Pesticide Applicator -

Equipped to provide prompt and effective control of nuisance aquatic vegetation.

## 5. Licensed Fish Propagator and Transporter -

The most choices of fish, a conveniently located holding facility and three convenient methods of transporting the fish to you!

## Our Customer's Comments:

*"We are so pleased with your lake management services. You are prompt and keep us informed. Communication is what puts you ahead of the competition.*

*C.S. – Chapel Hill, NC*

*"The grass carp arrived in fine shape and our pond is now blue from your lake colorant. I appreciate your prompt service and the helpful advice I received from everyone in your office."*

*M.E. – Timberlake, NC*

*"I highly recommend your fountains. Mine looks great and the price was right."*

*T.S. – Chatham County, NC*

## Let Us Take Care of Your Lake Maintenance Concerns!

Try our Year-Round Lake and Pond Management Service. With it we simply do everything necessary throughout the year to achieve your objectives, including a detailed report after each maintenance visit. The fee is dependent upon your objectives. We are in the unique position of being able to stock and increase growth of supplemental fish, install and maintain fountains, control nuisance plants or animals and manage water quality for productivity and attractiveness. During our visits we monitor developing conditions so corrective action can be taken early to prevent expensive problems from developing.
